

TABLE OF CONTENTS

Credits and Resources	i
Using the caArray User's Guide	1
Introduction to the caArray User's Guide	1
Organization of this Guide	1
User's Guide Text Conventions	2
Chapter 1	
About caArray	5
caArray Overview	5
Relationship of caArray to caBIG	6
caArray Standards	8
Security Structure Reword to reflect 2.0	9
caArray Workflow	10
Chapter 2	
 Getting Started in caArray	13
Launching caArray	13
Browsing caArray Before Login	14
caArray New User Account and Login	14
Requesting a User Account	15
Using caArray Online Help	17
caArray Welcome Page Left Sidebar	18
Global Quick Links	19
The caArray Interface	20
Access to Public Data in caArray Before Login	21
 Elements of the caArray Viewer	22
Chapter 3	
User Account Management	25
Initial questions	25
Roles in caArray	26

Permissions	26
Managing User Accounts	27
Registering a User Account	27
Creating a New User	28
Editing User Accounts by an Administrator	30
Editing One's Own Account	31
Searching for a User	31
Viewing User Details	33
Managing Collaboration Groups	36
Creating a Group	37
Searching for a Group	38
Viewing Group Details	39
Modifying Collaboration Group Details	39
 Managing Access to caArray Data	40
This section is from previous user's guide. Don't know if this still applies or not.	40
Requesting Access to caArray Records	40
Granting Others Access to Your Work	41
Visibility	41

Chapter 4

Creating and Managing Experiments43

Submitting an Experiment Proposal	43
Creating an Experiment	43
Overview Tab	45
Contact Tab	46
Annotations Tab	47
 Data Tab	51
Publications	51
 Permissions Tab??	52
Managing Experiment Visibility	52
Addition Permissions	52
Workflow	53
Updating an Experiment proposal	55
 Experimental Design	58
Sources	58
Samples	59
 Project Identifier	59
 Report on Work Accomplished	60

Chapter 5

 Submitting Data to an Experiment	61
Managing Data	61
Uploading Annotation and Array Content into a caArray project	61
Validating Data Files	63
 Importing Array Designs	64
Files Types that can be Imported into caArray	64
Manage Associations	65

Chapter 6

Navigating and Searching caArray	67
 Should this chapter go before Creating and Managing Experiments??	67
Navigation in caArray	67
 Grid availability	67
Workflow	67
Searching the Repository	71
Workflow	71
Results	73
 Search Using Filters	73
Workflow	73

Chapter 7

Extracting Data from caArray	77
Very short chapter. (only 1 topic. Second topic is simply a cross ref to the technical guide. Can we put this somewhere else?)	77
Downloading Data from caArray	77
Extracting Data Programmatically by API	79

Appendix A

caArray References	81
---------------------------------	-----------

Appendix B

caArray Glossary	83
Index	87
